Grease Trap and Interceptor Maintenance Log

San Diego Grease Company by TGC | (888) 789-1090 | sandiegogrease.com

Restaurant: _____ Address: _____

Unit location / ID: _____ Capacity: _____ gallons Type: _____

Service provider: _____ Permit / account: _____

Cleaning date	Waste removed (gallons)	Grease / solids measurement	Provider / manifest number	Inspection notes / repairs	Next service due	Staff initials / verification

Keep this log with pumping manifests, invoices and inspection or repair records.
Follow your equipment instructions and local wastewater permit. This template does not set a cleaning interval or replace records required by your wastewater authority. Never enter an interceptor or inspect an open tank yourself.
